

NOTICE

The Alpine Town Council will hold a public hearing on an annexation request initiated by the Town of Alpine for approximately one hundred five (105) acres of land north of the Town of Alpine and east of Alpine Junction. The public hearing will be held on June 20, 2006 at 7:00 P.M. or as soon thereafter as the matter can be heard. The meeting will be held in the Town Hall located at 250 River Circle. The purpose of the public hearing is for the Town Council to determine if the proposed annexation complies with Wyoming Statute 15-1-402 regarding the purpose of the annexation, whether the annexation constitutes a natural, geographical, economical and social part of the Town of Alpine, whether the annexation is a logical and feasible addition, and whether the area is contiguous to the Town of Alpine. A location map which includes identifiable landmarks and boundaries of the area sought to be annexed is included as part of this notice. The proposed annexation report can be summarized as follows:

- The total estimated cost of infrastructure improvements required of all landowners by the Town of Alpine related to this annexation are estimated at \$0.00;
- Basic and other services customarily available to residents of the Town of Alpine include water and sewer service. Those services will be reasonably available to the area proposed to be annexed by and through North Star Utility, and such services may be taken over by the Town of Alpine at a to be determined date.
- The Town of Alpine does not impose a property tax;
- There would not be a need for infrastructure improvements within the Town of Alpine to accommodate the proposed annexation.
